Why support the church?

The answer to this question is simple: Saint George is sustained by the generosity of its parishioners. Annually, it takes \$138,000 to run Saint George (about \$11,500 a month). Without you, we cannot continue to operate our facilities in Midtown Manhattan.

Are gift amounts confidential?

Yes. Your Stewardship gift amount is kept in confidence. We compile the anticipated amounts to plan our budget.

What if I can't fulfill my gift?

Your Stewardship is made out of your love for God and His Church. Please do not be concerned if you are unable to meet your commitment. We are glad you are a part of this parish.
